

What are we doing to protect our patients & staff from COVID?

- ✓ Pre-appointment screening with CDC questionnaire
- ✓ Masks required by all in office
- ✓ Temperature taken & Hands sanitized at check-in
- ✓ Reduced patients seen per day to ensure social distancing
- ✓ 1 adult companion/patient policy (when reasonably possible)
- ✓ Reception seating spread for social distancing
- ✓ Magazines, toys, books & video games removed from reception (Sorry☹)
- ✓ Outdoor seating provided if preferred
- ✓ Disinfecting of all high touch surfaces throughout the day
- ✓ Multiple true HEPA-filtration air purifiers throughout office
- ✓ Plastic barriers placed around front desk
- ✓ PPE provided as recommended by the CDC & ADA for all clinical staff, including N95 masks & face shields
